Date: August 8, 2022

NOTICE

NEW COORDINATING JUDGE at the seat of the Court of Appeal in Quebec City

Please note that, since June 20, 2022, Justice Suzanne Gagné has held the position of coordinating judge at the seat of the Court of Appeal in Quebec City. She takes over from Justice Dominique Bélanger, whom I sincerely thank for her excellent work in this position since 2018, particularly during the COVID-19 pandemic, when she devoted all of her energy to maintaining the Court's judicial activities while ensuring the health and well-being of staff and parties. I would also like to thank Justice Gagné for taking on this new responsibility.

Case Management in Quebec City

Parties who would like special case management by the Court must submit a written request to this effect to Justice Suzanne Gagné. Such a request may be sent to the office of the Court of Appeal of Quebec by mail, by e-mail (courdappelqc@judex.qc.ca) or by fax (418-646-6961).
