New website of the Court of Appeal of Quebec

NOTICE

I am pleased to announce that the Court of Appeal of Quebec has launched a brand new website. It is online as of today at the following address: www.courdappelduquebec.ca

Our website has been redesigned to better meet the needs of users. More dynamic and user-friendly, it allows access to judgments of the courts as soon as they are filed, permits research in the rolls of the Court as well as provides an opportunity to keep up to date with the latest news and announcements. The site will be updated regularly and it will be possible to subscribe to our RSS feeds.

In other respects, due to the wide range of information available on our website, lawyers as well as self-represented litigants will easily and undoubtedly find answers to the most commonly asked questions regarding procedures in appeal. Finally, the Court will have a *Twitter* account, enabling more efficient access to the latest news for the most frequent users.

Overall, the new website of the Court of Appeal will help improve access to justice for everyone. Happy surfing!
